West Hawk Lake – Lakefront Cottage for Sale

While sitting on the deck or dock, this gorgeous spot has full sunshine from morning till the late afternoon. The boathouses on the immediate neighboring properties have been developed to the north and south ends of their respective properties, providing for a wide open approach to this piece of heaven. Being Nestled a little bit in the cove, makes this location sheltered from the bigger waves on West Hawk, so its an easy swim, even on those windy days.

If you are looking for a nice quiet spot to take out the canoe, just travel up the shoreline to the North / East, to the undeveloped shoreline of West Hawk Lake. This cottage is exactly that..... 100% cottage, with finishing and decor welcoming you to the Canadian Shield. You're only 1:45 Hours from Winnipeg, mostly on Hwy #1 East making it an easy,

safe trip to skip out to the lake for you and your family.

More West Hawk Lake Information

West Hawk Lake is located in the Whiteshell Provincial Park in southeastern Manitoba, Canada. The central portion of the lake is formed by the West Hawk crater, caused by a meteor impact into an ancient rock bed composed of mostly granite. Granite cliffs surround parts of the lake. This area is also known as part of the Canadian Shield that was formed billions of years ago. West Hawk Lake is a good sized lake at 16.2 Square Km's

Parts of the Whiteshell park have elaborate petroforms that were made by First Nation peoples, possibly over a thousand years ago. There are petroform shapes of turtles, snakes, humans and geometrical patterns, often found upon pink granite ridges that were shaped during the last ice age. The lake has private cottages, public beaches, campgrounds and other tourism amenities, and extensive undeveloped shoreline, and is popular for boating, sailing, Wake boarding and scuba diving. It is just north of the Trans-Canada Highway, and on the Trans Canada Trail, on the border of Manitoba and Ontario.

Dave Ellie (Broker)

I have been cottaging at Falcon Lake since 1966. In that time, I have benefited greatly from the cottage experience. Late night camp fires, golfing, skiing, fishing, the family gatherings are what it is all about. In the last 22+ years of selling cottages we've sold almost any kind of cottage you can imagine and have met literally thousands of cottagers.

Can you think of a better place to spend your summer other than the lake???. I can't..... and that is why my our family continues to enjoy the park and all of its offerings. For some, the cottage is the focal point from April to September, and for others, it is all year round. I am hoping that your family will benefit from the cottage experience in the same way we have. You can't meet a better bunch of people, and you can't enjoy a better place to live.

Why do I sell Real Estate? It's a great thrill and privilege to watch family dreams become a reality right before your own eyes.
