Lot 2 Plan 30187 Caddy Lake

NW 1/4 Sec 9 Twp 10 Rge 17EPM

Welcome to a truly special waterfront property on beautiful Caddy Lake in the Heart of Whiteshell Provincial Park.

Owned by the same family for over 99 years, this cherished lakefront retreat has created generations of memories — and now offers the opportunity for another family to begin their own legacy.

Nestled in a peaceful forest setting near the point forming the entry to the caddy Lake Tunnels, this property enjoys exceptionally quiet waterfront living with little to no passing boat traffic. Whether your passion is canoeing, fishing, swimming, or simply relaxing at the lake, this property captures the very essence of Whiteshell living.

After Selling cottages for close to 30 years, I have been in hundreds of properties. I am confident this location ranks in the top 5%-10% of all locations in the Whiteshell. If you would like to chat and get my idea of a fantastic location, I'd love to chat - Dave 204-793-6959
